#### When the application is received on a non-business day, it will be treated as if received on next business day.

All transactions as per conditions mentioned below shall be aggregated and closing NAV of the day on which funds for respective transaction (irrespective of source of funds) are available for utilization will be applied where the aggregated amount of investment is for Rs.2.00 lakhs (Two lakhs) and above.

- 1. All transactions received on same Business Day (as per cut-off timing and Time stamping rule).
- 2. Aggregation of transactions shall be applicable to all open -ended schemes (except DSPBRLF) of the Fund.
- $3.\ Transactions\ shall\ include\ purchases,\ additional\ purchases,\ and\ exclude\ Switches,\ Systematic\ Investment\ Plans\ (SIP)\ / Systematic\ Transfer\ Plans\ (STP)\ and\ trigger\ transactions.$
- 4. Aggregation of transactions shall be done on the basis of investor/s/Unit Holder/s Permanent Account Number (PAN). In case of joint holding in folios, transactions with similar holding pattern will be aggregated. The principle followed for such aggregation will be similar as applied for compilation of Consolidated Account Statement (CAS).
- 5. All transactions will be aggregated where investor holding pattern is same as stated in point no.4 above, irrespective of whether the amount of the individual transaction is above or below Rs. 2 lakhs (Two lakhs).
- 6. Only transactions in the same scheme of the Fund shall be clubbed. It will include transactions at Plans/Options level (i.e. Regular Plan, Direct Plan, Institutional Plan, Dividend Option, Growth Option, etc).
- 7. Transactions in the name of minor received through guardian will not be aggregated with the transaction in the name of same guardian. However, two or more transactions in folios of a minor received through same guardian will be considered for aggregation.

In the case funds are received on separate days and are available for utilization on different business days before the cut off time, the applicable NAV shall be of the Business day/s on which the cleared funds are available for utilization for the respective application amount.

Further it is clarified that switches will be considered as redemption in the switch-out scheme and purchase / subscription in the switch-in scheme. Unit holders are requested to note that application for redemption/switch-out for units for which funds are not realized via purchase or switch-in in the scheme of the Fund shall be liable to be rejected. In other words, redemption or switch out of units will be processed only if the funds for such units are realized in the scheme by a way of payment instructions/transfer or switch-in funding process. Further, all switch funding shall be in line with redemption funding timelines adopted by the concerned scheme i.e. if a scheme follows T+3 payout for redemption, the switch out funding should also be made on the T+3 and not earlier or later than T+3, where T is the day of transaction.

With respect to investors who transact through the stock exchange, Applicable NAV shall be reckoned on the basis of the time stamping as evidenced by confirmation slip given by stock exchange mechanism.

|  | RISK MANAGEMENT STRATEGIES  |
|--|---|
| Market Liquidity Risk  | The liquidity risk will be managed and/or sought to be addressed by creating a portfolio which has adequate access to liquidity. The Investment Manager will select fixed income and/or equity securities, which have or are expected to have high secondary market liquidity. There is good secondary market liquidity in government securities. As far as other long dated fixed income securities are concerned, the endeavour will be to invest in high quality names example bonds issued by public sector entities. There is good secondary market liquidity in large cap stocks. Market Liquidity Risk will be managed actively within the portfolio liquidity limits. The first access to liquidity is through cash and fixed income securities.  |
| Market Liquidity Risk<br>with Government<br>Securities - DSPBRGF,<br>DSPBRTBF and<br>DSPBRCM10YGF  | Amongst all the segments of the fixed income market in India, the government securities market demonstrates the highest market liquidity. The liquidity varies from security to security with benchmark securities for the reference tenors like 10 years, 5 years etc. showing relatively higher market liquidity. With time, the benchmark liquidity changes and hence liquidity propagates from one security to the other. The liquidity risk will be managed and/or sought to be addressed by creating a portfolio which has adequate access to liquidity. The Investment Manager will select fixed income securities, which have or are expected to have high secondary market liquidity   |
| Credit Risk - Except DSPBRGF, DSPBRTBF and DSPBRCM10YGF  | Credit Risk associated with Fixed Income securities will be managed by making investments in securities issued by borrowers, which have a very good credit profile. Limits are assigned for the amount as well as maximum permissible tenor for each issuer. The credit process ensures that issuer level review is done at inception as well as periodically by taking into consideration the balance sheet and operating strength of the issuer.  |
| Term Structure of<br>Interest Rates (TSIR) Risk  | The Investment Manager will endeavour to actively manage the duration based on the ensuing market conditions.   |
| Rating Migration Risk  | The endeavour is to invest in high grade/quality securities. There is an in-depth due diligence performed before assigning any credit limits, which should mitigate company-specific issues. There is an ongoing monitoring of these limits after they have been assigned.  |
| Re-investment Risk<br>Risks associated with<br>bank and PSU debt<br>applicable to DSPBRBPDF  | The investment manager will endeavour that besides the tactical and/or strategic interest rate call, the portfolio is fully invested.  The endeavor will be to invest in debt securities of banks having sound credit profiles with strong balance sheets, healthy asset quality and managements having a proven track record of managing growth. Moreover, banks in India have typically enjoyed some degree of systemic support, especially public sector banks which receive periodic equity capital infusion from the Gol. Hence, banks typically enjoy high credit ratings. Similarly, the schemes would invest in PSU's which either have healthy standalone profitable business models, or perform critical functions for the Gol ensuring continued support through equity infusions, guarantees etc.   |
| Market Risk related<br>to equity and equity<br>related securities  | The Investment Manager endeavours to invest in companies, where adequate due diligence and research has been performed by the Investment Manager. As not all these companies are very well researched by third-party research companies, the Investment Manager also relies on its own research. This involves one-to-one meetings with the management of companies, attending conferences and analyst meets and also tele-conferences. The company- wise analysis will focus, amongst others, on the historical and current financial condition of the company, potential value creation/unlocking of value and its impact on earnings growth, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, product profile, brand equity, market share, competitive edge, research, technological know- how and transparency in corporate governance.  |
| Risk associated with floating rate securities  | There is very low liquidity in floating rate securities, resulting in lack of price discovery. Hence, incremental investments in floating rate securities are going to be very limited.   |
| Risk associated with<br>investments in repo<br>of corporate debt<br>securities, applicable to<br>DSPBRESF, DSPBRBPDF,<br>DSPBRIOF, DSPBRMMF,<br>DSPBRSTF   | The Investment Manager will endeavor to manage counterparty risk in corporate debt repos by dealing only with counterparties having strong credit profiles. These could include SEBI regulated mutual funds, RBI regulated Banks, Non-Banking Finance Companies, Primary Dealers and IRDA regulated Insurance companies. Corporates for whom credit limits have been assigned are eligible counterparties. These corporates should have a minimum investment grade credit rating. For new counterparties, approval from Head - Risk will be taken and an assessment will be done by the Risk & Quantitative Analysis team. The collateral risk is mitigated by restricting participation in repo transactions only in AA and above rated money market and corporate debt securities, where potential for downgrade/default is low. In addition, appropriate haircuts are applied on the market value of the underlying securities to adjust for the illiquidity and interest rate risk on the underlying instrument.  |
| Risks associated with<br>mid-cap, small-cap and<br>micro- cap companies<br>DSPBRBalF, DSPBRITF,<br>DSPBROF, DSPBRITF,<br>DSPBRTSF, DSPBRNRNEF,<br>DSPBRTSF, DSPBRNRNEF,<br>DSPBRMCF and DSPBRSMF | The Investment Manager endeavours to invest in companies, where adequate due diligence has been performed by the Investment Manager. As these companies are not very well researched by third party research companies, the Investment Manager relies on its own research. This involves one to one meetings with the management of companies, attending conferences and analyst meets and also tele-conferences. The company- wise analysis will focus, amongst others, on the historical and current financial condition of the company, potential value creation/unlocking of value and its impact on earnings growth, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, product profile, brand equity, market share, competitive edge, research, technological know- how and transparency in corporate governance.  |
| Applicable to<br>DSPBRF25F - Risk factor<br>associated with security<br>concentration  | This Scheme has a security concentration risk as it will normally hold equity and equity-related securities including equity derivatives, of upto 25 companies. The intrinsic nature of the portfolio will represent high conviction portfolio weights. The primary nature of the Scheme is to have high conviction portfolio, which may introduce higher security concentration risk. Although the Scheme is less diversified in terms of the number of securities, the Scheme has the flexibility of investing in diverse sectors. This would provide diversification across sectors and the Investment Manager would have the flexibility to diversify the holdings and mitigate risks. The Investment Manager will endeavour to achieve diversification through non-similar stocks and/or factors that could impact the underlying portfolio.   |
| Applicable to DSPBROF - Risk associated with Sector Concentration Risk   | The investment objective is to have portfolio, which has high concentration in select sectors. The sector selection process of the Investment Manager will seek investments in sectors, where there is visibility in earnings. The investors need to be aware of the sector concentration risk as this is the investment objective of the Scheme.   |
| Applicable to DSPBRESF<br>Risks associated with<br>Arbitrage strategy  | Liquidity Risk: However the Scheme will aim at taking exposure only into liquid stocks/derivatives where there will be minimal risk to square off the transaction. The Scheme will ensure this by analyzing historical data of volume and open interest.  Market Risk: The Scheme will endeavour to cover or square off the positions as soon as possible and maintain a net market neutral position. Opportunities Risk: In absence of profitable arbitrage opportunities available in the market, the Scheme may predominantly invest in cash, short term debt and money market securities.   |
| Applicable to DSPBRITF   | Risks associated with companies operating in Infrastructure sector and/or where economic reforms are expected: This is the primary risk in the Scheme as the investment objective is to invest in companies operating in the infrastructure sector and/or where economic reforms are expected. As government policy defines both investments in the infrastructure sector as well as policy reforms, there exists a very high policy related risk. On its part, the endeavour would be to invest in companies, where adequate due diligence has been performed by the Investment Manager. Besides using research inputs from third party research companies, the Investment Manager will also rely on its own research. This involves one to one meetings with the management of companies, attending conferences and analyst meets and also tele-conferences. The company-wise analysis will focus, amongst others, on the historical and current financial condition of the company, potential value creation/unlocking of value and its impact on earnings growth, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, product profile, brand equity, market share, competitive edge, research, technological know-how and transparency in corporate governance. |

#### RISK MANAGEMENT STRATEGIES

#### Applicable to DSPBRTF Technology, Media and Telecom Sector Concentration Risk: Scheme has primary investment objective to invest in Technology, Media and Telecommunications sectors. Being a sector fund, it will have higher risk as compared to a diversified equity fund. Besides this, the allocation amongst the three sub-sectors will also influence the performance of the fund. The sector selection process of the Investment Manager will seek investments in sectors, where there is visibility in earnings. The Investment Manager will endeavour due diligence in the sector allocation and stock selection. The investors are informed that a pure sector fund will have high volatility. This risk cannot be defeased and is the primary feature of the Scheme Intellectual Property and Individual Risk in Technology, Media and Telecom Sectors: All the three sub-sector are new age sectors and are exposed to disruptive technologies as well as human resources risk. Most of these companies are operating in high growth areas where the future growth and expected scalability drives the price performance. The Investment Manager will focus on companies with strong managements, responsiveness to business conditions, product profile, brand equity, market share, competitive edge, research, technological know-how and transparency in corporate governance besides financial condition of the company, potential value creation/unlocking of value and its impact on earnings growth, capital structure, business prospects and policy environment. The Investment Manager believes the good managements create good and sustainable companies and hence management quality will be a key differentiator Expense Risks associated with investments in international funds: Any increase in the expense structure of the international funds Risks associated with investments is not expected to have any impact as the aggregate of expenses incurred by the Indian Fund-of-Funds scheme and the underlying in international international funds is subject to limits prescribed by SEBI Liquidity Risk on account of investments in international funds: The investments are made in international funds, which provide funds -applicable to DSPBRNRNEF, DSPBRGAF, daily liquidity. However there exists a possibility that different settlement cycles and foreign exchange conversion could leads to delay DSPBRWAF, DSPBRWEF, in receipt of redemption proceeds. To mitigate this risk, daily cash management monitoring is performed by taking into consideration future cash flows on account of redemptions as well as subscriptions into/from the domestic fund. The endeavor is to maintain an DSPBRWMF, adequate liquidity cushion in Indian Rupee terms by making investments in very short term money market instruments and/or liquid DSPBRWGF and **DSPBRUSFEF** schemes in India Portfolio Disclosure Risks associated with investments in international fund: Although full portfolio disclosure is not available at the end of each month, top ten holdings as well as sector holdings are made available at the end of each month for the international fund. Full portfolio holdings can be obtained from underlying international funds with a three month lag i.e. March portfolio can be obtained at the end of June. Investment Policy and/or fundamental attribute change risks associated with investments in international funds: Investments are made in such international funds, which have similar investment objectives to the domestic fund in India. However there exists possibility that there is a change in the fundamental attributes of the international fund. In such circumstances, the Investment Manager will seek to invest in other international funds, which have the same investment objective as the domestic fund Risks associated with investments in BGF - GAF, BGF - WAF/BGF-WGF/BGF-WEF/BGF-WHF/ BGF - USFEF: To the extent of the investments in BGF - GAF, BGF-WAF, BGF-WGF, BGF-NEF, BGF-WEF, BGF-WMF and BGF - USFEF by the respective Schemes, the risks of BGF - GAF, BGF-WAF, BGF-WGF, BGF-NEF, BGF-WEF, BGF-WMF and BGF - USFEF respectively will exist. The investors should note that these risks cannot be defeased as these are international funds managed by BlackRock. However, as part of our due diligence, we have chosen funds, which have long term performance track record, stability of fund management team and are accredited by third party funds evaluators like S&P, Morningstar etc. The portfolio is predominantly in INR denominated securities. Should there be investments in ADRs/GDRs of Indian companies or foreign Risks Associated With Overseas Investments securities, the investment process of the fund manager will ensure that a comprehensive company specific due diligence is performed. DSPBRF25F, DSPBRITF, DSPBRMCF, DSPBRNRNEF, **DSPBRSBF** Risk associated with The Scheme can use equity derivatives, both for directional (including equitisation of cash) and yield enhancement strategies. The trading in Derivatives credit risk associated with equity derivatives is defeased as only exchange traded equity derivatives are permitted. On the performance, (Applicable to all portfolio and regulatory limits, there is an established daily monitoring process. As limits could be breached because of changes in the Schemes except open interest, which is a function of market-wide activity and not specific to the Scheme and are not in control, there are hard and DSPBRGAF, DSPBRTSF, soft limits. Any breach beyond the soft limit is immediately rectified and brought within the specified limit. DSPBRWAF, DSPBRWGF, The guidelines issued by SEBI / RBI from time to time for forward rate agreements and interest rate swaps and other derivative DSPBRWEF, DSPBRWMF, DSPBRUSFEF and products would be adhered to. DSPBRDAAF) Risk associated with This risk is mitigated as there is a regular monitoring of equity exposure of each of the equity oriented Scheme of the Fund. favourable taxation of equity-oriented Scheme Risk associated with At present, there is no significant activity in the Securities Borrowing and Lending market. The Mutual Fund has so far not participated Stock Lending in Securities Lending market. However, we understand the risks associated with the securities lending business and the AMC will have appropriate controls (including limits) before initiating any such transactions. • Securities Lending and Borrowing ("SLB") is an exchange traded product in India, with trades done on order matching platforms Risks associated with Securities Lending & setup by the clearing corporation/house of recognized stock exchanges. In accordance with SEBI guidelines, there is a robust risk Borrowing and Short management system and safeguards exercised by the clearing corporation/house, which also guarantee financial settlement hence Selling DSPBRESF eliminating counterparty risk on borrowers. • The Scheme may participate as a lender in the SLB market and lend securities held in the portfolio for earning fees from such lending to enhance revenue of the Scheme. The key risk to the Scheme is creation of temporary illiquidity due to the inability to sell such lent securities, till the time such securities are returned on the contractual settlement date or on exercise of early recall. The Scheme may enter into short selling transactions in accordance with the guidelines prescribed by SEBI. The key risk to the Scheme is increase in the price of such securities, requiring the Scheme to purchase the securities sold short to cover the position even at unreasonable prices resulting in a loss to the Scheme.

- (iii) at the rate of twenty per cent.

As per the Finance Act, 2016 the aforesaid provision dealing with higher taxation in the absence of furnishing Permanent Account Number shall not apply to a non-resident with effect from 1st June, 2016 subject to such conditions as may be prescribed. However, no such condition have so far been prescribed and hence at present such relaxation will not be available till such time as the conditions are prescribed.

In case of investments by NRIs in closed ended funds during NFO, at the time of redemption of units, TDS will be deducted at the applicable rate. However, in respect of those Unit Holders who have acquired the units on the Stock Exchange post listing of units, the Unit Holders would need to provide a certificate from a Chartered Accountant certifying the details of acquisition of units to the Fund within two days of maturity of the Scheme, so as to enable the Fund to deduct TDS at the applicable rates. In the event of such details not being provided, the Fund would deduct TDS on the redemption proceeds at the highest rate of TDS applicable. For further details on taxation please refer to the clause on Taxation in the SAI.

### II. Tax on distributed income to unit holders (U/S 115R)

As per section 10(35) of the Act, income received in respect of the units of a Mutual Fund specified under section 10(23D) of the Act, is exempt in the hands of the unit holders. However, The Fund would be required to pay a distribution tax on income distributions as at the following rate as under:

| Category of Scheme/Investors                           | Tax Rates# |
|--|------------|
| Debt Oriented Fund:                                    |            |
| - Unit holder is individual / HUF                      | 25.00%     |
| - Unit holder is any other person                      | 30.00%     |
| Infrastructure Debt Fund                               |            |
| - Non- Resident Unit holder other than foreign company | 5%         |
| - Unit holder is foreign company                       | 5%         |

#plus surcharge of 12 % on such tax and education cess of 3% on such tax and surcharge

As per the amendment made by The Finance (No.2) Act, 2014, w.e.f. 1st October 2014, for the purposes of determining the distribution tax payable in accordance with subsection (2) of section 115R, the amount of distributed income referred therein shall be increased to such amount as would, after reduction of the additional income-tax on such increased amount at the rate specified in sub-section (2) of section 115R, be equal to the amount of income distributed by the Mutual Fund.

### Instructions

- Investors who have already submitted an OTM form or already registered for OTM facility should not submit OTM form again as OTM registration is a one-time process only for each bank account. However, such investors if wish to add a new bank account towards OTM facility may fill the form.
- Other investors, who have not registered for OTM facility, may fill the OTM form and submit duly signed with their name mentioned.
- Mobile Number and Email Id: Unit holder(s) should mandatorily provide their mobile number and email id on the mandate form. Where the mobile number and email id mentioned on the mandate form differs from the ones as already existing in the folio, the details provided on the mandate will be updated in the folio. All future communication whatsoever would be, thereafter, sent to the updated mobile number and email id.
- Unit holder(s) need to provide along with the mandate form an original cancelled cheque (or a copy) with name and account number pre-printed of the bank account to be registered or bank account verification letter for registration of the mandate failing which registration may not be accepted. The Unit holder(s) cheque/ bank account details are subject to third party verification.
- Investors are deemed to have read and understood the terms and conditions of OTM Facility, SIP registration through OTM facility, the Scheme Information Document, Statement of Additional Information, Key Information Memorandum, Instructions and Addenda issued from time to time of the respective Scheme(s) of DSP BlackRock Mutual Fund.

### Instructions

- With the introduction of One Time mandate (OTM) facility, the mandate registration and SIP registration through OTM facility has been delinked. There are two separate forms, 1) for onetime mandate registration and 2) for SIP Registration.
- Where a onetime mandate is already registered in a folio for a bank account, the Unit Holder(s) will have to fill only the SIP Registration Form and there is no need of a separate cheque to be given along with the SIP Registration Form.
- Where the mandate form and the SIP registration form are submitted together, debits for the SIP may happen only on successful registration of the mandate by the Unit holder(s) bank. The Fund / AMC would present the SIP transactions or lump sum purchase transactions without waiting for the confirmation of the successful registration from the Unit holder(s)' bank.
- In case the onetime mandate is successfully registered, new SIP registration will take upto five days. The first debit may happen any time thereafter, based on the dates opted by the Unit holder(s).
- While the Fund and RTA reserve the right to enhance the SIP period to ensure minimum installments as per respective scheme offer documents, even if the investor has submitted the form late or requested for a period less than minimum installments, they may reject the applications for less than minimum installments.
- If start date for SIP period is not specified, SIP will be registered to start anytime from a period after five days from the date of receipt of application based on the SIP date available / mentioned, subject to mandate being registered. If end date is not specified, SIP will be registered till December 2099 or end date of mandate, whichever is earlier.
- If any time during the SIP period, the onetime mandate is to be modified to reduce the validity period which is more than SIP end period registered through OTM, investor should first cancel the SIP and thereafter modify the OTM end period.
- In case of Micro SIP application without PAN, the investor/s hereby declare that they do not have any existing Micro SIPs with DSP BlackRock Mutual Fund which together with the current application will result in aggregate investments exceeding Rs. 50,000 in a year.
- For detailed terms and conditions on SIP, including for OTM facility, please visit our website www.dspblackrock.com and also refer to scheme related documents.
- For SIPs through OTM, the maximum per installment amount after Top-Up shall not exceed Rs. Five lakhs or the maximum amount mentioned in OTM form, whichever is less.

As per SEBI Master Circular No. CIR/ISD/AML/3/2010 dated December 31, 2010 regarding Client Due Diligence policy, related circulars on anti-money laundering and SEBI circular No. CIR/MIRSD/2/2013 dated January 24, 2013, non-individuals and trusts are required to provide details of controlling persons [CP] / ultimate beneficiary owner [UBO] and submit appropriate proof of identity of such CPs/ UBOs. The beneficial owner has been defined in the circular as the natural person or persons, who ultimately own, control or influence a client and/or persons on whose behalf a transaction is being conducted, and includes a person who exercises ultimate effective control over a legal person or arrangement.

## For Investors other than individuals or trusts:

- (i) The identity of the natural person, who, whether acting alone or together, or through one or more juridical
  person, exercises control through ownership or who ultimately has a controlling ownership interest.
  Controlling ownership interest means ownership of/entitlement to:
- more than 25% of shares or capital or profits of the juridical person, where the juridical person is a
- more than 15% of the capital or profits of the juridical person, where the juridical person is a partnership;
  - more than 15% of the property or capital or profits of the juridical person, where the juridical person is an unincorporated association or body of individuals.
- (ii) In cases where there exists doubt under clause (i) above as to whether the person with the controlling ownership interest is the beneficial owner or where no natural person exerts control through ownership interests, the identity of the natural person exercising control over the juridical person through other means like through voting rights, agreement, arrangements or in any other manner.
  - (iii) Where no natural person is identified under clauses (i) or (ii) above, the identity of the relevant natural person who holds the position of senior managing official.

### For Investors which is a trust:

The identity of the settler of the trust, the trustee, the protector, the beneficiaries with 15% or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

## 3. Exemption in case of listed companies / foreign investors:

The client or the owner of the controlling interest is a company listed on a stock exchange, or is a majority-owned subsidiary of such a company, it is not necessary to identify and verify the identity of any shareholder or beneficial owner of such companies. Intermediaries dealing with foreign investors' viz., Foreign Institutional Investors, Sub Accounts and Qualified Foreign Investors, may be guided by the clarifications issued vide SEBI circular CIR/MIRSD/11/2012 dated September 5, 2012, for the purpose of identification of beneficial ownership of the client

- I. Investor agrees that the AMC and its Registrar reserve the right to disclose the details of investors and their transactions to third parties viz. banks, printers, distributors & SEBI Registered Investment Advisors (RIA) from whom applications of investors are received and any other organization for the purpose of compliance with legal and regulatory requirements or for complying with anti-money laundering requirements.
- m. Process for change of address If the investor wishes to change the address in their

- folio, they shall submit change of address form, proof of address, and any other document/ form that the AMC may require additionally to complete KYC details, if not done earlier. AMC reserves the right to collect proof of old address on a case to case basis while effecting the change of address.
- n. Applicants / Unitholders applying through a distributor (AMFI registered ARN holder) certify that:
  - i. Applicants / Unitholders have neither received nor been induced by any rebate or gifts, directly or indirectly in making this investment, ii. The ARN holder has disclosed to the Applicants / Unitholders all the commissions (in the form of trail commission or any other mode), payable to him for the different competing schemes of various Mutual Funds from amongst which the scheme is being recommended to the Applicants / Unitholders, iii Where the EUIN box is left blank being an execution only transaction, I/we confirm that the transaction is notwithstanding the advice of in-appropriateness, if any, provided by the distributor's employee/relationship manager/sales person and the distributor has not charged any advisory fees on this transaction.
- o. EUIN: EUIN stands for Distributor's Employee's Unique Identification Number. Apart from ARN codes of the distributor/sub distributor, applicants should also ask and mention the EUIN of the sales personnel of the distributor / sub distributor, who is advising the scheme to the applicant. In case of no such advice or interaction, the applicant should tick on the 'Execution-Only' tick box.
- p. Transactions charges: In case of applications of Rs. 10,000 & more and routed through a distributor who has opted for such transaction charges in particular category of schemes, transaction charges are deducted and paid to the distributor as follows (i) Rs. 150/- from a first time mutual fund investor's application; (ii) Rs. 100/- from an existing mutual fund investor's application. Units will be issued against the balance amount. Please tick the appropriate box as applicable to you. If no option is ticked, it is deemed that the applicant is an existing investor in the mutual fund industry. Even if an applicant ticks as new investor, the mutual fund reserves a right to check with investments in other mutual funds to ascertain new or existing investors.
- q. The investor agrees that the allotment information, account statement, proceeds towards redemptions and dividends will be dispatched by a reasonable mode of despatch like courier, post, etc. in case of cheque/demand draft or directly credited to the bank account (as per the details mentioned by the investor) using reasonable and available means, entirely and solely at the risk of the investor. The investor will not hold the Mutual Fund or the AMC or the Registrar responsible for any non-receipt or delay of receipt of redemption & dividend proceeds due to any negligence or deficiency in service by the courier company, postal authorities or the bank executing direct credits/RTGS/NEFT, or due to incorrect bank account details provided by the investor.
- r. In case of Individual, the Investor confirms that he is not a US person in terms of Regulation S of Securities Act, 1993 as amended from time to time. Further, he does not intend to return to US and his stay in India is of permanent nature.

Further, applicant/unit holder also authorizes to share the given information to other SEBI Registered Intermediaries to facilitate single submission / updation and for other relevant purposes.
- Applicant/unit holder also undertakes to keep the Mutual Fund informed in writing about any changes / modification to the above information in future and also undertake to provide any other additional information / documentary proof as may be required
- j. Please note that applicants/unit holders may receive more than one request for information if you have multiple relationships/accounts/folios with us. Therefore, it is important that you respond to each of our request, even if you believe you have already supplied any previously requested information.
- k. In case any of the specified information provided by the applicant/unit holder is found to be false or untrue or misleading or misrepresenting, applicant/unit holder will be solely liable and will indemnify the Mutual Fund, it's Sponsor, Asset Management Company, Trustees, their employees / associated parties and the RTAs.
- In case applicant/unit holder has any of the Indicia, pertaining to a foreign country and yet declares self to be non-tax resident in the respective country, customer to provide relevant details as may be asked for.

### 6. Bank Account Details/ Multiple Bank Accounts Registration

- a. It is mandatory for all investors of mutual fund schemes to provide their bank mandate. Applications without the mandatory bank details are liable to be rejected. Investors should ideally mention account details of the same bank account from where the payment towards purchases is made. If the bank account details mentioned are different from purchase pay-in bank, investors should attach additional documents validating the bank account like cancelled cheque with name & account number preprinted, latest bank statement, latest pass book, bank letter in original or attested. Should the investor fail to provide the documents, the Fund/AMC/RTA reserves the right to register the pay-in bank details as the redemption bank details and use such bank account for payment of any redemption/dividend proceeds
- b. The investor agrees that the allotment information, account statement, proceeds towards redemptions and dividends will be dispatched by a reasonable mode of despatch like courier, post, UCP, etc. in case of cheque/demand draft or directly credited to the bank account (as per the details mentioned by the investor) in case of using direct credit facility, RTGS or NEFT, entirely and solely at the risk of the investor. The investor will not hold the Mutual Fund or the AMC or the Registrar responsible for any non-receipt or delay of receipt of redemption & dividend proceeds due to any negligence or deficiency in service by the courier company, postal authorities or the bank executing direct credits/RTGS/NEFT, or due to incorrect bank account details provided by the investor.
- c. Multiple Bank Accounts Registration Facility The fund offers its investors facility to register multiple bank accounts for pay-in & payout purposes and designate one of the bank account as Default Bank Account. This facility can be availed by using a designated 'Bank Accounts Registration Form'. In case of new investors, the bank account mentioned on the purchase application form, used for opening the folio, will be treated as default bank account till the investor gives a separate request to register multiple bank accounts and change the default bank account to any of other registered bank account. Registered bank accounts may also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription. Default Bank Account will be used for all dividends and redemptions payouts including FMP schemes maturity proceeds unless investor specifies one of the existing registered bank account in the redemption request for receiving redemption proceeds.
- d. Consequent to introduction of 'Multiple Bank Accounts Facility', the facility of redemption with change of bank mandate is discontinued by the fund. A new nonregistered bank account specified in the specific redemption request for receiving redemption proceeds will not be considered. Please note the following important points related to payment of redemption proceeds
- i. Proceeds of any redemption request will be sent only to a bank account that is already registered and validated in the folio at the time of redemption transaction processing.
- ii. Unit holder(s) may choose to mention any of the existing registered bank accounts with redemption request for receiving redemption proceeds. If no registered bank account is mentioned, default bank account will be used.
- iii.If unit holder(s) provide a new and unregistered bank mandate with a specific redemption request (with or without necessary supporting documents) such bank account will not be considered for payment of redemption proceeds.
- iv. Any request without the above mentioned documents will be treated invalid and will not be acted upon and any financial transaction, including redemptions, will be carried with the previous details only. Valid change of bank mandate requests with supporting documents will be processed within ten working days of documents reaching the head office of the Registrar and any financial transaction request received in the interim will be carried with previous details only.

### 7. Investment and Payment Details

a. Investors should fill in the desired Plan / Option / Sub Option clearly in the space provided in the application form. In case the investor does not fill in the desired Plan / Option / Sub Option properly and clearly or in the case of incomplete details, lack of clarity or ambiguity, the default option will be considered and applied. The

- Fund will not entertain any request from Unit Holders for a change in Plan / Option / Sub Option after the application is accepted.
- b. Any change in dividend sub option due to additional investment or investor's request will be applicable to all existing Units in the dividend option of the scheme concerned.
- c. Payments by cash, stock invests, credit cards, post-dated cheques (except through SIP), and post-dated account-to-account transfer instructions to credit the Designated Account will not be accepted.
- d. Investors residing in locations where Investor Service Centres or Collection Centres are not located are requested to make payment by demand drafts. Demand draft charges for such investors will be borne by the AMC, subject to the standard demand draft charges, as charged by the State Bank of India, and the investors attaching proof of the charges.
- e. The cheque or demand draft should confirm to CTS 2010 standards in banking industry and be payable locally at the centre where the application is deposited, and should be drawn on any bank that is a member of the Bankers' Clearing House.
- f. The cheque or demand draft should be drawn in favour of the 'Scheme Name', as the case may be, and should be crossed Account Payee Only.
- g. A separate cheque should be given for each separate investment in a different scheme or plan or option.
- h. It is mandatory for NRIs to attach a copy of the payment cheque / FIRC / Debit Certificate to ascertain the repatriation status of the amount invested. NRI Applicants should also clearly tick on account type as NRE or NRO or FCNR to determine the repatriation status of the investment amount. The AMC and the Registrar may ascertain the repatriation status purely based on the details provided in the form under Investment and Payment details and will not be liable for any incorrect information provided by the applicants. Applicants will have to coordinate with their authorized dealers and banks to repatriate the investment amount as and when needed.
- i. Third Party Payment Avoidance & additional documents/declaration required To safeguard the interests of applicant/investors and avoid fraudulent transactions in any other name, the mutual fund does not accept Third Party Payments. A payment towards mutual fund subscription by cheque/DD/RTGS/NEFT or any mode whatsoever is deemed as a Third Party payment, if payment is issued from a bank account other than that of the beneficiary investor. The first holder of the mutual fund folio has to be one of the joint holders of the bank account from which payment is made via cheque/Demand Draft (DD)/Funds transfer/RTGS/NEFT. Therefore, it is important for investors to mention the bank account number, bank name & branch address from where the payment is issued and the same should match with details on payment cheque/document (where applicable).

Where the payment instrument/advice does not mention the bank account holders name/s, investor should attach bank pass book copy/bank statement/bank letter to substantiate that the first unit holder is one of the joint holders of the bank account. Where a payment is through a DD, a bank certification of bank account and account holders name of the bank account used for DD issuance should be attached, in the required format.

In specific exceptional situations where Third Party payment is permitted like i. Payment by Parents / Grand-Parents / Related persons on behalf of a minor (other than registered guardian) in consideration of natural love and affection or as gift for value not exceeding Rs 50,000 for each purchase, ii. Payment by an Employer on behalf of Employee or iii. Custodian on behalf of an FII or a client, iv. Payment by Asset Management Company to a Distributor empanelled with it on account of commission/incentive etc. in the form of the Mutual Fund Units of the Funds managed by such AMC through Systematic Investment Plans or lump sum / one-time subscription, subject to compliance with SEBI Regulations and Guidelines issued by AMFI, from time to time. KYC of the investor and the KYC of the person making the payment is mandatory irrespective of amount. Additionally, a joint declaration is also required to be submitted.

Investors are advised to visit www.dspblackrock.com for more details, including declaration formats or approach any of the offices of the fund.

- j. The AMC reserves a right to reject the transaction or call for additional details, if payment bank account and other details are not mentioned on the form and/or do not match with payment instrument and/or necessary documents and declaration, as applicable to respective investors and transactions, are not attached or are insufficient. In case the funds are transferred to the mutual fund account prior to the application rejection, then amount transferred may not be refunded or redeemed unless the investor establishes KYC with additional documentation.
- k. Returned cheques are not liable to be presented again for collection, and the accompanying application could also be rejected. In case returned cheques are presented, the necessary charges including returned charges may be debited to the investor.
- I. To safeguard the interests of applicant/investors and avoid fraudulent transactions in any other name, it is important for investors to mention the bank account number, bank name & branch address from where the payment instrument or funds transfer is issued and the same should match with details on payment cheque (where applicable). The AMC reserves a right to reject the transaction if such payment details are not mentioned and/or do not match.
- m. For general terms and conditions and more information on 'One Time Mandate (OTM)' Facility, Unit holder(s) are requested to read Terms and Conditions, OTM registration form, addenda to Scheme Information Document and Key Information Memorandum available on www.dspblackrock.com.

### 8. Nomination Details

- Transfer of Units in favour of a nominee(s) shall be valid discharge by the AMC against the legal heir.
- f. Cancellation of nomination can be made only by those individuals who hold Units on their own behalf singly or jointly and who made the original nomination.
- g. On cancellation of the nomination, the nomination shall stand rescinded and the AMC shall not be under any obligation to transfer the Units in favour of the nominee(s).
- The rights in the Units will vest in the nominee(s) only upon the death of all Unit Holders.
- i. Nomination can be made in favour of more than one, and upto three individuals. Investors who desire to make nomination in respect of multiple nominees should clearly specify the percentages to be allocated between the nominees. If no percentages are mentioned, nomination will be done equally for all the nominees.
- Nomination will be maintained at the folio or account level and will be applicable for all investments in the folio or account.
- k. Where a folio has joint holders, all joint holders should sign the request for nomination, even if the mode of holding is not 'joint'.
- A new nomination request will imply simultaneous cancellation of existing nomination and request for fresh nomination.
- m. Applicants who do not wish to nominate, must at the designate space confirming their intention on not to nominate, failing which the form may be rejected at the discretion of the AMC/Fund.

### 9 Unit Holding Option

- a. Applicants' are provided two options to hold their Units viz. Account Statement mode and Demat mode. For units in Account Statement mode (non-demat), an account statement will be issued. For Units held in demat mode, Units shall be directly credited to the investor's demat account after the realization of payment funds and depositories will issue a statement.
- b. It is mandatory to tick on the required option in the designated space in the application form. If no option has been ticked by the investor, Units shall be allotted in nondemat mode i.e in Account Statement mode.
- c. For credit of Units in demat account, applicants are advised to mention clearly their demat account details with depositories and in block letters in the designated space. The demat account details, as provided by the investor will be considered for credit of units in dematerialized form after validation with relevant depository(ies).
- d. Applicants' are also advised to attach a copy of a document like demat statement / client identification master/ delivery instruction slip, that provides the applicants' name and demat account details, in support and verification of the mentioned demat account.
- e. In case Demat account details are not provided or are incomplete or the details do not match with the records as per depository(ies), units will be allotted in non-demat form and an account statement will be issued.
- f. In case details of more than one demat account are provided, the Fund may choose any one of the demat accounts for the purpose of verification and credit of units.
- g. Where the units are held in demat accounts with the Depository Participants, the investor shall be serviced directly by their stock brokers/Depository Participant. The Fund will not be in a position to accept any request for transactions or service requests directly from investors in respect of Units bought under this facility in demat mode.
